

CUAA Working Committee Meeting

Minutes of the Meeting

February 4, 2006

CUAA members held a meeting on 2/4/06 at the Saraswati Pujo. The discussion revolved around formation of the Executive Committee for 2006. The minutes are outlined below:

Tapash Pradhan is the new President

Dilip Som will continue to be the Treasurer (a life-time appointment)

Ashoke Ganguli will continue as the Secretary (consent by phone)

Mihir Ghosh is a new member

Pramita Chatterjee will now be in the forefront, instead of her worse-half, Debu Chatterjee

Luna Basak will continue as a member (consent by phone)

Tapan Bera is not available this year

Sudeshna Basu is not available this year

Tarak Bhar and Bratin Saha stepped down to make room for new comers

Nitya Nath, Tarak Bhar and Bratin Saha will join a new cadre termed "member-at-large" (?)

Amongst the others present, Tanaji Mitra and Utpal Dasgupta were willing to extend hands when needed.

Jaysree Nath and Raka Saha did not appear to extend any hands

Shikha Bhar and Aparna Pradhan were conspicuously missing at the meeting

Three new names were proposed for the committee: Ranjan Gupta, Sutapa Ghosh, and Shweta Sen

Ranjan was at the meeting; he wished not to be included in the committee, but promised to help as needed.

I had a candid discussion with Sutapa and Shweta after the meeting. They too did not wish to join the committee, but promised to help as needed

Thus the current committee is somewhat lean (but not mean) and may wish to add some fat (especially unsaturated and trans fats)!

I am sending this memo to all parties named herein. Please contact me should you find any errors or omissions.

With best wishes to CUAA and you all,

Bratin Saha
