### Selection of 2015-16 Committee:

Nitya Nath, one of the seven elected CUAA Board members for 2015 and 2016, called an organizational meeting on December 16, 2014 in his home at Potomac, MD. Five members attended. Biman Paria could not attend, and a seventh member resigned before the meeting. Nitya Nath, who has been associated with CUAA and its precedent CUSCAA from its inception, reviewed the history of the organization, discussed the evolving thoughts about the organizational functions, what has been accomplished and what we may look forward to add to the prevailing customs. CUSSCA, in earlier days, provided some assistance to students in different departments at Calcutta University in the form of awards and occasionally provided teaching materials, including text and reference books and some computer aids. Of now, the activities have boiled down to two annual social events, a picnic and a cultural function. The new Board aims to do more. We all made some preliminary discussions of what may be feasible. The attending members unanimously agreed to the following distribution of positions.

All position nominations were unanimous.

1. President: Nitya Nath
2. Secretary: Mitali Saha
3. Treasurer: Gora Gangopadhyay
4. Cultural Secretary: Debanjan Biswas
5. Communication Secretary: Mahua Mukhopadhyay
6. Food Secretary: Biman Paria
